Dear Parents, Family and Community Members,

Term 2 is almost over and I hope you have an enjoyable break with your children. School begins again for term 3 on Monday, 20th July.

Last week saw 10 of our students visiting Dwellingup for their camp. What a fun but very cold time they had. The activities kept them busy and amused and gave them the opportunity to gain many skills. Activities included rock wall climbing, abseiling, flying fox, canoeing and craft work. The children slept in bunk beds in dormitories. Mr. Suttar (Salmon Gums PS) and our own Mr. Nigel Norwood capably took care of our boys overnight and Miss Yearsley (Cascade PS) and Mrs Ietto (Grass Patch PS) kept a watchful eye on the girls. Miss Jackson and Mrs Stacey had to return during the week and I drove down to Dwellingup to support the group.

The children displayed manners and worked cooperatively setting up for meals and washing the dishes, as well as sweeping floors and general tidying up. I was very impressed on how they cared for and supported one another.

We received praises from the camp staff on the positive behaviours of our children, which is a compliment to you all.

I have made up a power point presentation of the photos Miss Jackson and I managed to take and we will show this on Friday at 2pm. All parents and family are welcome to attend.

I would like to extend a **HUGE thank you to Mr. Norwood** for all his help at camp. We would not have managed without him. He kept us all in line, myself included when I was stirring up the girls and we were giggling and waking the boys!!

WOOLWORTHS: EARN & LEARN

We are excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn Points. Just collect Woolworths Earn & Learn Points when you shop at Woolworths between Monday 15 July and Tuesday 8 September 2015. We will redeem these for awesome educational resources for our school.

Simply pop them onto a Woolworths Earn & Learn Points Sheet and once it's completed, just bring it back to school or drop it into the Collection Box at your local Woolies. The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program, and we’d like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at the front office.
**Swim Camp 2015**

At the end of next term, we have Swim Camp for our P-6 students. Parents with students who will be in Years 5 & 6 in 2016 could you please return the "Intention to Attend Canberra Camp 2016" forms by Thursday, 2nd July this greatly assists in planning of the camp in 2016.
Measurement fun! Students had a great time going outside and measuring all of the garden beds.

The students love the new National Geographic magazines. They have been doing a range of fun activities while learning about the world around them.

The Kindy/Pre-Primary students had a great time threading beads onto string to make legs for their jelly fish.

The students have been experimenting with printing during Art. These will be entered into the local wildflower competition.

Thanks Mrs Jane Wandel!
