From the Principal:

Welcome back to term 4. I hope you all had many great moments with your children over the holiday break. You will notice a “new look” to the newsletter and both Tracey and I welcome any feedback.

Term 4 promises to be another busy term with lots of great teaching and learning happening, boosted by some wonderful extras such as: excursions, transition days for our year 6’s and preparation for our end of year concert.

Swim Camp was an excellent experience for the students and I would really like to thank Erica Byrne and Lynne Norwood for duties above and beyond! We also thank the lovely mums (Natahna and Kelly and Liz) who stayed overnight and supported the campers.

Now that swim camp is over, we need to make payments to the service providers and all payments for swim camp are now due. If you have not paid for the camp, please do so by the end of the week. Also if you have found a ‘swim camp black hat’ amongst your child’s belongings, please would you return it to school.

2016 Canberra Camp deposits are due shortly and we will be sending notes to families within the next week.

Have a great fortnight, everyone!

Kind Regards

Diana

RECYCLING TIPS

Look to see if this recycling symbol with a number 1—6 is on your plastic goods. There are 6 grades of plastic which can be recycled here in Esperance. Make sure, if you have to purchase plastic, it can be recycled. Plastic never leaves our atmosphere. It breaks down into tiny sand—like particles which is still harmful to our environment. About 90% of bird species eat plastic that has ended up in our environment.

Fun at Swim Camp-Junior
Senior students had fun testing and writing procedures on the best way to drink Milo!
COMMUNITY ANNOUNCEMENTS

VacSwim December/January school holiday swimming programs

It is important for every child to learn to swim properly and develop essential water safety skills. VacSwim’s December/January school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water.

This year there has been a small price increase from $10.00 per enrolment to $12.50 per enrolment (family enrolment for three or more children living at the same address is now $34.50).

For program locations and to enrol visit education.wa.edu.au/swimming.
