LOST PROPERTY

If any parents are missing items dropped off to the Country Club for catering last term, they are available at the Front Office to be picked up.

There’s no better day than Australia Day to recognise the achievements of local citizens who go ‘above and beyond’.

Has someone inspired our community, demonstrated leadership regarding a community issue or enhanced community life? The dedicated service of local people and groups who contribute to fostering community pride, and making our local community a great place to live, needs to be recognised.

The Premier’s Australia Day Active Citizenship Awards focus on community contribution and participation rather than personal achievement. We encourage you to be active in recognising the achievements of your local citizens and community groups and nominating them for a Premiers Australia Day Active Citizenship Award.

There are three awards categories that highlight active citizenship, outstanding contribution to the local community and Australian pride and spirit. Choose the one that suits your nominee:

- outstanding community contribution by a local citizen
- outstanding community contribution by a local citizen under 25 years of age
- outstanding community contribution by a local group or community event

Find out how to nominate today by visiting our website. Nominations close Friday 27 November 2015 and the awards are presented on Australia Day 2016.

VacSwim December/January school holiday swimming programs

It is important for every child to learn to swim properly and develop essential water safety skills. VacSwim’s December/January school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water.

This year there has been a small price increase from $10.00 per enrolment to $12.50 per enrolment (family enrolment for three or more children living at the same address is now $34.50).

For program locations and to enrol visit education.wa.edu.au/swimming.

“Thank you ICPA”

Anna and Mark Jones and their three children live on a Pilbara cattle station. Through the efforts of ICPA, the In Home Childcare scheme enables them to employ Janice to look after 3 year old Chloe while Anna teaches Dylan, 10, via School of the Air. They receive a Distance Education allowance to help with costs in the schoolroom.

Their eldest, Cameron, went away to boarding school in Perth at 13 and Anna says they were only able to afford this with the assistance of the AIC Boarding Allowance, the State Boarding Away from Home Allowance, and the 4 free return flights that they can access through the State Student Subsidised Travel Scheme.
